We had a nice run of cattle Thursday January 16<sup>th</sup> with the market being better on all of the better quality cattle. Our lighter good cattle were 10 to 15 dollar better with our packer cows being 2 to 4 dollars better with the bulls being steady. Our stocker cows and pairs were with better demand.

We are expecting a good run of cattle Thursday January 23<sup>rd</sup> so if you need to buy or sell be sure and attend.

Hope we all get some rain.  
Thank you for your support.
