Thursday February 20, 2020

We had a nice run of cattle Thursday February 20th with the market being active on the better quality calves and yearlings. Our plainer cattle continues to be hard to sell.

Our packer cows and bulls were active with good demand with our better stocker cows being active with good demand.

We are expecting a nice run of cattle Thursday February 27th so if you need to buy or sell be sure and attend.

Thank you for your support.
