We had a better run of cattle Thursday May 28th with the market being 3 to 5 dollars better on the better quality calves and yearlings with good demand. Our packer cows and bulls were 1 to 2 dollars lower with good demand.

Hope we are expecting a good market on June 4th so if you need to buy or sell be sure and attend.

Hope we all get some good general rains.
If we could be of any help please call.
